

Regina 86th Cubs

February will be a short month. Even though it is short we have an exciting adventure planned by the Howlers, we will learn about safety and celebrate Baden Powell.

Be sure to check out the column to the right for upcoming meetings and on the following page for any camp information. Also remember that ScoutsTracker will also have this information and more.

Safety Meeting

We will go over the reasons for a muster point. Also cover food allergies and create a first aid kit.

Howler Planned Meeting

We have asked the Howlers to plan 2 activities that will be completed by the pack over the next two months. As of this writing the final decision has not been made. More information to follow.

Baden Powell Celebration

We will be celebrating Baden Powell with a tea and cake. It will be held at Westhill Baptist Church from 6:30 – 8pm. The cubs will also be presented with their earned Outdoor Adventure Skill badges as well as Personal Achievement badges.

Steak Night

The steak night will be held March 21 from 5-9pm at the Barley Mill. Tickets are \$25 and can be purchased through Scouter Rose. Please contact her via email at rrudolph@myaccess.ca.

Group Committee

Our Group Committee meetings are held at Plainsview School. The next meeting will be held on Mar 1st at 7:00pm.

All Group Committee meetings are open to parents, we welcome your input on our plans for the year.

Parent Participation

We are looking into trying something new this year to help us continue delivering a quality and safe program to our youth. We have been encouraged to reach out to parents for assistance during regular meetings and camps. This would entail working alongside a Scouter. We will be calling for volunteers as needed and would welcome your participation. Thanks in advance for your help.

The Remind APP

If you haven't already, please download and sign up for the Remind APP. Class: **Regina86Cubs** & class code: **@regina86c**. We use this app to send out reminders and updates.

Allergy Update in MyScouts

Please ensure your youth information entered online at Scouts.ca is current and complete (allergy and medical information of particular importance as this is often our only insight to the youth's conditions/risks).
