## Group Committee

Our Group Committee meetings are held at Plainsview School. The next meeting will be held on Mar 1st at 4:00pm.

All Group Committee meetings are open to parents, we welcome your input on our plans for the year.

## Parent Participation

We are looking into trying something new this year to help us continue delivering a quality and safe program to our youth. We have been encouraged to reach out to parents for assistance during regular meetings and camps. This would entail working alongside a Scouter. We will be calling for volunteers as needed and would welcome your participation. Thanks in advance for your help.
