

# Regina 86<sup>th</sup> Cubs

Everything has changed since the last Newsletter was sent out. Yet, let's take joy in the grass turning green and the leaves starting to bud. In this weird time we would like to thank you for continuing to spend some time with the Cubs. The simple or frustrating act of 'Zooming' with each other helps us feel a connection and hopefully will help our bonds become stronger.

As we move to bi-weekly meetings, be sure to check out the column to the right for upcoming meetings. All meetings will be done using Zoom. Also remember that ScoutsTracker should also have this information and more.

## Join ZOOM Meeting

The link for the meeting will be sent out prior to the meeting or in ScoutsTracker.

We will be admitting youth into the meeting as we confirm who is in the waiting room. Please make it easy for us to tell who is in the waiting room. Simply displaying a phone number will delay your entrance to the meeting.

## Kub Kar

Please visit the following site to view the Kub Kars submitted

## Lego Night

Scouter Kathy has already sent out the required Lego. The youth will build whatever they like during the meeting using the required Lego only. They should have fun using their imaginations and sharing their creations with their friends.

## Map Work

Scouter Jim is going to attempt to show the youth a little bit about maps over Zoom. Finish off with a Fortnite map quiz.
