

Regina 86th Cubs

The second month is done and the youth have another exciting camp around the corner.

November is going to be full of compass and Leave No Trace learning. Both are very important to me and to Scouting.

Be sure to check out the column to the right for upcoming meetings and on the following page for any camp information. Also remember that ScoutsTracker will also have this information and more.

Scout Popcorn

Great work selling popcorn! The Regina 86th Group sold approximately \$25,000 worth of product. Our earnings will help youth to continue their Scouting Adventures and will help our group to develop new program materials, refresh camp supplies, train Scouters, etc. Popcorn pickup date likely to be November 17th. Details to follow.

Parent Participation

We are looking into trying something new this year to help us continue delivering a quality and safe program to our youth. We have been encouraged to reach out to parents for assistance during regular meetings and camps. This would entail working alongside a Scouter. We will be calling for volunteers as needed and would welcome your participation. Thanks in advance for your help.

Regina 86th T-Shirts

The New Regina 86th Group t-shirts are being produced and should be delivered to regular meetings in early November. A subsequent order for hoodies will follow shortly thereafter.

Allergy Update in MyScouts

Please ensure your youth information entered online at Scouts.ca is current and complete (allergy and medical information of particular importance as this is often our only insight to the youth's conditions/risks).
